With the onset of longer days and beautiful weather visiting before dinner and lodge becomes quite enjoyable outside while the ladies set up inside and do a bit of visiting too! Of course it was another fabulous meal and was enjoyed with the added company of members of other lodges, one in particular.... Oroville Lodge #103 who came bearing a gift.... Yes, the Traveling Gavel was once again presented to Forbestown #50's June Stated Meeting! We were so overjoyed with this remarkable and precious gift that it was decided it had to be returned, which it promptly was, the following Tuesday, June 5th, at Oroville #103's Stated Meeting. Marvin Larson PM and talented orator presented this wonderful gavel back to Oroville Lodge along with fellow brethren Richard Sutherland, Fred Morrison and John Davis. Brother Sutherland gets the pleasure of surprising both Lodges with this gavel since he is a member of Oroville and an affiliate of Forbestown.
