Before we knew it, January was here! Stated meeting was held on it's usual day and time. We were honored with visitors from Oroville Lodge and North Butte. As usual the pre-meeting potluck meal was excellent and the table laden with wonderful dishes...

We are looking forward to our Installation of Officers on the 21st at 2 p.m.

Chico-Leland Stanford

January continued with similar busy schedules as we had in November and December! We started off with a full plate of activities. Installation of Officers at Chico-Leland Stanford Lodge #111 was on the

calender and attended by Forbestown on Friday evening January 6th.

Installing Officer was Charles Alexander P.G.M.

Master of Ceremonies was James H. McKasson P.M.

Table Mountain

Saturday January 7th presented Forbestown with a difficult decision.... two installations! One being Oroville Lodge #103 at 2 p.m.

the other Table Mountain Lodge #124 also at 2 p.m.

Forbestown was represented at both lodges, the camera going with the Table Mountain attendees as it had been to Oroville Lodge installation the prior year.

Installing Officer at Table Mountain was Andrew Hanawalt Warren Bullock PM was Master of Ceremonies

The tools and aprons of the past.... These were displayed at Chico - Leland Stanford

One of the enjoyable pleasures of attending other Lodges is learning of their histories and admiring the past that is present in their buildings. Viewing the "old lodge" at Table Mountain was

wonderful! What a beautiful building and room! The history that took place as meetings were held....

Honoring the past when there were two Lodges each with their own Worshipful Masters.
