

Forbestown Lodge No. 50
January 2013

We wish to officially welcome Ken Cooper who has become an affiliate member of
Forbestown Lodge No. 50

Masonry is the world's first and largest fraternal organization, and is based on the belief that each man has a responsibility to help make the world a better place.....

One of the joys of attending lodge is gathering with the good people that do make the world a better place. Upon arrival at Lodge nothing else says "welcome" more than being greeted by our brothers and their ladies as you walk through the doors of the dining hall. There are hugs and handshakes all around and warm greetings. The good smells of the variety of potluck dishes wafts through the air. Pausing in the kitchen you can listen to the sound of all the voices chattering away at the dining tables. You know you are in a good place with cherished people. We miss those who cannot attend and pray for those who are ill.

John Cooper, Deputy Grand Master of the Grand Lodge of California, attended our dinner and meeting. We enjoyed visiting with him. Brother Cooper has been involved with a historical project on the Lodges of the gold rush. A tentative visit by Grand Lodge to Forbestown Lodge has been planned for June 27 & 28 of 2014. It will be quite an honor to receive Grand Lodge.
