

Along with the holidays comes the cold and flu season.... Hope all are taking precautions or have lots of chicken soup on hand! The busy season has descended upon us all. It's a wonderful time. May you have had an inspiring Veterans Day, we are so grateful for our Veterans contributions to our freedom. Something some unfortunately take for granted. May you have had a wonderful Thanksgiving and be looking forward to the joys that December brings.

Forbestown is looking forward to installation! We will be holding installation **Saturday January 11 at 2 p.m.**

Officers Association for December 17th will be a Holiday party at the Chico Lodge at 7 p.m. for officers and their wives...

As of this writing it looks like our Senior Warden will be out sick and not able to perform his duties as Father Christmas at the Home Town Christmas in Forbestown on Saturday November 30th. He has returned from his Thanksgiving trip with a terrible cough. Please do not let this discourage you from coming up if you had planned to attend. It is a wonderful festivity.
