Forbestown Lodge #50

September 2012 Trestleboard

Trestleboard photo

The last several Trestleboard photos have been shared with us by the Yuba Feather Museum of Forbestown. This months photo came with the caption of "Oldest Masonic Hall in Calif. - Forbestown". I am assuming they mean our building & not the date we were Chartered.

Western Star Lodge #2, F & AM claims title to "The Oldest Chartered Lodge in California." Whether our Forbestown building is the oldest or not, I can't say..... only that, sans the dining hall, this building is almost the only Forbestown survivor of that booming & bustling Gold Rush era...
